About DogeWhisky

The founder of dogewhisky is Thomas S. Donovan, has been operating a liquor store in Marseille, France for 25 years and has rich experience in the body, taste and flavor of whisky. In 1995, Thomas S. Donovan opened a liquor store, Eric Polanski is very demanding of the quality of whisky, and in recent years has developed a blend of whisky.

The purpose of dogewhisky is to hope that people all over the world can understand the goodness of dogewhisky through blockchain, using tokens to develop and enter the world together with the physical products, we will try to develop dogewhisky as a common currency, in any place to buy alcohol can be paid with dogewhisky, whisky regardless of nationality, as long as it is a good product Anyone will accept

WHY THIS PROJECT

DogeWhisky project has been conceived and developed by a group of highly motivated people driven by a strong passion and knowledge of the crypto world.

Merge the significant meaning of "Whisky", as a Liquor and global , and that of "Doge", as a symbol of top-level token. Our aim is to achieve unprecedented and extraordinary results that no token has ever been able to achieve, come on board and be part of the journey with us!

Charity

That's why dogewhisky community aims to It is absolutely mandatory to face this terrible issue all together, as a community. To do so, we have to act quickly and involve relevant actors at different levels. Nowadays, The Dangers of Deforestation is one of the greatest challenges that we all have to face in order to preserve our Planet Earth. for all of us. That's why dogewhisky community aims to seriously contribute with periodical donations and offer support to help the world to become a better place. This process starts from YOU so we want to let our community vote and decide on which charity organization they'd like to give their contribute and support. Charity donations will be made from the Marketing Wallet
